

# Seat Our Senator

As a resident of Minnesota, I am concerned that we should be fully represented in the U.S. House and Senate,

particularly as we take on such critical priorities as rebuilding our economy, making health care more affordable, bringing green jobs to the state and reforming the banking system to protect working families. Minnesota's current congressional delegation is hurt by the absence of a U.S. senator to represent the interests of our citizens.

I urge Governor Tim Pawlenty and Secretary of State Mark Ritchie to certify the results of the U.S. Senate election of 2008 so that our second senator may be seated:
